May I take this opportunity to thank all my team in their fine efforts in such severe conditions with the heat and wind, we were beaten but not disgraced .

SA came away with retaining the .SA - WA shield but lost the SA - TAS shield to TAS by 1.5 shots for the first year they were exceptional in their games.

On the presentation night it was sad to hear that Victorian and bowling arms national developer has decided to bow out of the Nationals and retire

Next years Nationals will be held in SA at TRANMERE from the 7th September - 12 September 2019 .

Cheers to all
